Proudly serving our clients for 40 years

ClimateMaster - Geothermal & water source heat pumps (vertical stacked, console, horizontal & vertical, large vertical & rooftop) water to water, 100% outside air units, ultra high efficiency units.

Seresco - Dehumidification systems for indoor pools and ice rinks.

Spinnaker - Packaged rooftop, DOAS, custom AHU, packaged energy recovery ventilators and rotary energy recovery ventilators.

Dunham-Bush - Chillers: Air & water cooled, air handlers, air cooled DX units, air & water packaged units, precision equipment and ice-cel thermal storage.

Panasonic - Variable Refrigerant Heat Pump / Heat Recovery Systems & Split Systems

Friedrich - Packaged thru-the-wall air conditioners and heat pumps, vertical thru-the-wall air conditioners and heat pumps, ductless split systems & room air conditioners.

ReymSA - 100% corrosion free cooling towers & closed circuit coolers.

Kelvion (formally GEA) - Brazed & gasketed plate heat exchangers.

Williams - Fan coil units (console, stud, lowboy, horizontal, vertical, belt drive & vertical stacked units), TRACvalve, IPS & on demand systems.

Barcol-Air - Chilled beams (Active & Passive) and radiant ceiling systems.

Skil-aire - Precision AC and computer room air handling units.

Rheem - Packaged air conditioners & heat pumps, split system condensing units & heat pumps, air handlers.

Chillit - Modular chillers.

ICE (Industrial Commercial Equipment) Gas fired MUA & custom Air Handling Units.

Griswold - Standalone and packaged solids from liquid separators

Cold Point / Adirondackaire - Direct replacement for PTAC & air cooled products, vertical stacked

Retroaire - Direct replacement of packaged thru-the-wall air conditioners and heat pumps, vertical thru-the-wall air conditioners and heat pumps, water source units and ductless split systems.

Applied Comfort Products - Direct replacement of packaged thru-the wall units & heat pumps

Přihoda - Fabric duct air dispersion systems.

Cool Water Technologies - Cooling towers & closed circuit coolers in counter flow & cross flow design in induced draft & forced draft configurations. Direct replacement for all manufacturers.

Thermolec - Electric duct heating coils

Victaulic - Steel braided, Self-balancing hose kits..

Qmark - Electric heating products.

Flowmark - Electric pulse powered water treatment systems

NuTech - Steel braided, Self-balancing hose kits..

Schneider Electric - DDC (Direct Digital Control), HVAC, lighting, and access control, Lon Mark systems integration. StruxureWare intelligent building management systems, BACnet, LON, Modbus.

Square D - Variable frequency drives.

Franklin Control Systems - Cooling tower & closed circuit cooler starter panels.

Sass-Moore Service Corp. - Factory authorized start-up, service and factory Parts.
